By providing our students with the best-quality and balanced education, regardless of their capabilities, class or race, our School aims to equip them with lifelong learning skills, and nurture them to become well-rounded citizens, with a holistic and personalized development based on moral, intellectual, physical, social and aesthetic values.

School Characteristics

School Management

School Management Organisation:

Our school is operated by the government and managed by our School Management Committee. There are fifty-six teachers in the school, including the Headmistress, 3 Deputy Heads, 9 Senior Teachers and 43 teachers.

Incorporated Management Committee / School Management Committee / Management Committee:

The chairman of our school management committee is appointed by the government. The committee members include the School Headmistress, the representatives of teachers, parents and alumni. There are also three members from the society.

School Green Policy:

Student Environmental Protection Ambassador Scheme.

School's Major Concerns:

1. To nurture student to be a 'HCWB person'(through school-based activities)-to be hard-working,be self-disciplined and courteous.
2. To foster students to be self-directed learners and to promote students'independence in learning.

Learning and Teaching Plan

Learning & Teaching Strategies:

1. Provide Class Teacher lesson.
2. Provide Moral and Civic Education lesson.
3. Provide Pupils Personal Growth lesson, Reading lesson and Native English teacher lesson.
4. Organize various interest groups and extracurricular activities.
5. Native English tutor to enhance pupils to learn English.
6. Actively promote IT in education.
7. Emphasize on Moral and Civic Education.
8. Promote Reading and Project learning (P.1-P.3 focused on Cross-Curricular learning, P.4-P.6 Project-based learning).

Development of Key Tasks:

Put an emphasis on four key areas: the promotion of reading programs, the use of IT in education, project-based learning and moral and civic education.

Development of Generic Skills:

The school strongly emphasize on enhancing pupils' generic skills in different environment. Develop pupils' communication, creativity and critical thinking ability.

Promotion of Positive Values and Attitudes:

The school construct different learning environment and experience to help our students possess the qualities of a 'HCWB person' (Diligent, Frugal, Happy, Brave, Self-disciplined and Courteous) in order to let them live with a positive living attitude.

Student Support

Whole School Approach to Catering for Learner Diversity:

Inclusive Education, Remedial Teaching groups after school, Learning Support Programme and collaborative teaching.

Whole School Approach to Integrated Education:

We set up Student Support Team to coordinate the implementation of whole school approach to integrated education. Members of Student Support Team conduct meetings with our educational psychologist, student guidance officer and subject teachers to discuss the difficulties of students with SEN and provide appropriate support for them, including various study groups and social, self-management, and communication skills training.

Education Support for Non-Chinese Speaking (NCS) Students:

Our school provides additional support for NCS students to facilitate their learning of Chinese: providing after-school support programmes in learning Chinese; appointing additional teacher(s)/teaching assistant(s) to support NCS students' learning of Chinese; arranging intensive Chinese learning and teaching mode(s), e.g. pull-out learning if necessary, split-class/group learning, etc; and organising cultural integration activities.

Curriculum Tailoring and Adaptation:

According to the experts' reports, we will tailor-made / adjust the curriculum for the children who are in need.

Home-school Co-operation and School Ethos

Home-School Co-operation:

1. Parents Representative from PTA are invited to sit in different sub committees.
2. PTA organizes educational activities for parents and pupils.

School Ethos:

1. To enhance pupils' sense of belonging and promote the caring culture in the school.
2. To maintain harmonious teacher pupil relationship and enhance home school cooperation.

Future Development

School Development Plan:

1. To nurture student to be a 'HCWB person'(through school-based activities)-to be hard-working,be self-disciplined and courteous.
2. To foster students to be self-directed learners and to promote students'independence in learning.
