**The Dishonest Fisherman**

Characters : Lucas – Unlucky fisherman  
Alan – Lucas’ friend, an expert fisherman  
Aquaman

Setting : A sunset in Atlantic Ocean

**Scene 1**

Lucas and Alan are in a boat in the Atlantic Ocean.

Enter Lucas in a red suit and Alan in a T-shirt with a fish logo and green shorts.

Lucas : Oh, no! I dropped the red fish in the ocean just now.

Alan : Poor you! But it’s getting dark. I’m going to get back home by boat before it’s too late.

Lucas : It’s OK. See you tomorrow. Now, how am I going to get back that fish?

Exit Alan. Enter the Aquaman with a trident.

Aquaman : I am the Aquaman. You seem to have a problem. Can I help you?

Lucas : I dropped my fish into the ocean. Can you help me find it?

Aquaman : No problem. It’s a piece of cake. I’ll be right back.

Then, the Aquaman goes down to the ocean. A moment later, he shows up with a green big fish.

Aquaman : Is this green fish yours?

Lucas : Yes, it is. I dropped this fish earlier.

Aquaman : Are you sure? Let me ask you again. Is this fish yours?

Lucas : I'm telling you the truth. It's mine.

Aquaman : You are too greedy. I'll throw you into the ocean.

Lucas : Oh no! Help! I'll never lie again.
