“The Yummy Restaurant in the World-A Play”

Characters: Ben, Haydan, May

Setting: The special food in Hong Kong

Scene 1

Haydan: Here’s the menu. What would you like?

Ben: I’d like some pasta, please.

Haydan: Which would you like, macaroni with mango or spaghetti with grapes?

Ben: I’d like some macaroni with mango. What would you like, May?

May: I’d like something cold. I’d like beef salad, please.

Haydan: I’d like something cold too. I’d like tuna pudding, please.

Haydan: OK! Let’s order now.

Scene 2

Ben: Yuck! I need water! The macaroni with grapes is too salty.
Waiter!

Haydan: Aargh! My food is worse than Ben’s. There’s a fly in my tuna

pudding. I can't eat this!

May: Urgh! My beef salad is the worst and there's a cockroach!
Waiter!

Haydan: Let's go. I know a better place to eat.

All: Happy Restaurant!
