The Worst Restaurant Forever

Characters: Tom, Peter, Mow, waiter

Setting: At Tom's house, Hello Restaurant

Scene 1 At Tom's house

Tom: (shouting) I won the lucky draw and we can go to Hello Restaurant and eat for free!

Peter: Very good! We can go to have lunch.

Mow: Let's go!

Scene 2 In Hello Restaurant

The waiter assigns them a four seat table and they sit there.

Waiter: Here's the menu.

Tom: Thank you. What would you like, Peter?

Peter: I'd like some Italian food, please.

Tom: Which would you like, ham and cheese pizza or pineapple and chicken pizza?

Peter: I'd like something sour because my favourite taste is sour. I'd like pineapple and chicken pizza.

Tom: I'd like something salty, because it is appetizing. I'd like French fries and the soup of the day please.

Mow: I'd like something sweet because sweet things make me feel happy. I'd like strawberry cupcakes and the soup of the day,

please.

Peter: Let's order now, I'm very hungry.

Scene 3 In Hello Restaurant

The waiter bumped on Peter's head.

The waiter runs fast but the soup falls onto Tom's clothes.

Tom: It's so hot!

Waiter: Sorry.

Peter: Ooh. I need water! The pineapple in the pizza is too sour.

Tom: My food is worse than Peter's. There's a bee, a fly, a cockroach and an ant in my French fries!

Mow: My cupcakes are hot and there's a fly in one of them.

Peter: Let's go. I know a better place to eat.

All: Oh Restaurant!

Scene 4 In Oh Restaurant

Waiter: Please take a seat.

Tom: This restaurant maybe the best restaurant.

Peter: You can't just see the look of the restaurant and say this is the best restaurant in the world. What would you like?

Mow: We should order a friend set.

Tom: The food here is worse than Hello Restaurant's food.

Peter: This is the worst restaurant because the food is not cooked.

Mow: Yes, there's also a bee, a fly, a cockroach and an ant in our friend set.

All: Looks like we always go to the worst restaurants!
