Hello! I would like to be your pen friend

Dear Franklin,

I saw your poem on the website. I would like to be your pen friend.

My name is Javis. I am nine years old. I am a boy. I have an elder brother. I live in Causeway Bay. My birthday is on 20th February. I am short but I am not the shortest in my class. My brother, James is tall. I am as tall as James. I am slim. I am slimmer than my brother. I am the slimmest in my family. My hair is short and also straight, but my brother's hair is straighter than my hair. He has the straightest hair in my family. My hair is also shorter than my brothers's. James's eyes are big. They're bigger than mine.

My friend Eunis likes playing badminton. She plays it very well. She plays better than me. My best friend is James. James and I have one same hobby. We both like playing toys. We seldom play toys together at weekends, because we don't have time. Ayden often joins us and we play together. But we do often play toys ourselves. I like reading storybooks. I always read storybooks before sleeping at night on weekdays. I think it makes me sleep better. I also like playing tennis. I always have tennis lessons on Saturdays at three o'clock in the afternoon. I also like playing football and watching football.

Although I don't have football lesson, I think it is fun. I always practise it every day. I also watch football at night at weekends. I like to go hiking too. I sometimes go hiking with my family and friends at weekends. After hiking, we often go eating together with my friends. I think hiking is fun and it can keep you fit. Do you go hiking, Franklin? I also like making vlogs. I sometimes make vlogs at weekends. I make vlogs with my friends. I think they are fun. I also like playing the piano and the violin. I always have piano lessons and violin lessons on Thursdays. I enjoy them a lot. I also like music. What subject do you like, Franklin? James likes learning how to drive a boat. His father has a big boat. We sometimes play together in the boat. James also likes playing Taekwondo. We both always have Taekwondo lessons on Thursdays at six o'clock in the evening. We are in the same class! James got red and blue belts, and I got a red belt. We both love Taekwondo, but Taekwondo is not my favourite hobby. I like James. He is one of my best friends!

Please write soon. I am looking forward to receiving your reply.
