Pen Friend

Dear Franklin,

I saw your poem on the Friend's around the world website. I want to be your pen friend.

I am nine years old and we are the same age. My name is Patrik Kluivert. My nickname is Pat. I live in a small town in the Netherlands. I enjoy playing football and swimming and reading books. I have one brother. His name is Ayden. He has a great sense of humour. I have fifteen friends and all of them have the same hobby: playing football.

I am medium sized. I am not tall or short, but I am thin, even thinner than Marck Overmars. I have big eyes, bigger than Edgar David's. I have short hair, shorter than Arjen Robben's. My hair colour is black. I have a small mouth. It is as small as a small piece of carrot. My skin is very black too.

My best friend is Ayden. He has got long hair, big eyes and small mouth. He is heavier than me. My friend's hobbies are playing football, reading books and eating.

I go out with him every day. We often go to the football field to play football.

I want to know more about you. Who is your best friend? Please write soon.

Best,

Andersen
