Dear Amy,

I am happy to know that you will visit Hong Kong soon. Hong Kong is a busy and beautiful city. Let me show you around.

In the morning, we will go to Lantau Island by minibus. We are going to have breakfast at a coffee shop. When we finish our breakfast, we will visit the Big Buddha. Then we will go to Tung Chung by cable car. We will visit the Ngong Ping Village. At noon, we are going to eat seafood, we will also have dim sum, lobster, shrimps, steamed fish and steamed scallops. When we finish our lunch and feel full, we will go to The Peak by bus. We will look at the view of Hong Kong while walking around.

In the afternoon, we will go to Wan Chai by bus. We will visit the Golden Bauhinia Square. Then we will visit the blue house. We will walk there. After that, we will go to Causeway Bay by tram. We will go shopping. At night, we will have dinner at Causeway Bay, we are going to eat rice with meat, dim sum, carrot, spaghetti with meat sauce and tomato. When we are full again, we will take a little walk at the Victoria Park. This is the end of our tour.

Amy, I hope you'll like my plan. See you soon.

Cheers,

Sam Wong
