Dear Moses,

I am happy to know that you will visit Hong Kong soon.

I know you like creepy-crawlies, so maybe you can follow me and my friends on this day and night animal-hunting trip.

From the morning to noon, we will go to Hong Kong Aberdeen Country Park by mini-bus. We will go hiking and finding bugs. My friends chose this place because there are lots and lots of animals to find there. Somebody even once found a rare spider there! Then we will go to Causeway Bay by taxi. We will have dim sum for lunch.

From the afternoon to the evening, we will go to the peak by bus. We will go hiking and finding bugs. I plan to leave after seven o'clock because the night view will be amazing. After finding animals, we will go to Wan Chai by taxi. We will have sushi for dinner. Do you like our plans?

Hope you will write back soon.

Cheers,

Chi Yi
