✧ Making a 'Zappy Zebra' ✧

Steps:

1. First use some tape to stick the toilet roll on the bottom of the shoe box as four legs.
2. Then use tape to stick a toilet roll as the neck. Stick a cereal box on the toilet roll as the head. Stick a lolly stick at the back as the tail.
3. Next use a pair of scissors to cut two ears out of the piece of paper.
4. After that use the glue to stick two ears on the shoe box.
5. Then glue some torn newspaper onto the body of the zebra.
6. Finally use the watercolour to paint the whole zebra into black and white.
