A day in Anna Country Park

One day morning, Mary went to Tom's home and visited him. They felt bored at home. Then they decided to go to Anna Country Park. They enjoyed hiking and felt it would be exciting.

When Mary and Tom were on the way back to the home, they found that they got lost. Luckily, they met a hiker and asked him how to go home. The hiker said that it was still ten kilometers from there to their home. 'It's far away,' the hiker said, 'You better go by bus.'

When they arrived at the bus stop, they found that there were so many people waiting for the bus. Tom liked travelling by taxi, it was more comfortable. At that time, they saw an empty taxi coming. Then they got into the taxi.

Lastly, they went back home at 10:00 p.m. and Mary's mother blamed her for being so late. They were tired.
