A special and lucky day

Yesterday was a holiday. It was a sunny day. Mary suggested going to Happy Country Park for a picnic. Mary asked, 'Tom, do you want to go on a picnic?' 'That's a great idea,' Tom replied. Then they prepared some food and drinks for the picnic.

Unfortunately, they got lost on the way. They did not know how to go to Happy Country Park. Luckily, they met a hiker. They asked him for help. Mary asked, 'Excuse, me, do you know how to go to Happy Country Park?' The hiker answered patiently, 'You should go to the park by bus because it is far. It is ten kilometres!' 'Thank you for your help,' said Mary.

When they arrived at the bus stop, they found that a lot of people queued up at the bus stop. Mary said, 'I hate standing up for a long time so I dislike travelling by bus.' Tom said, 'I like sitting comfortable so I enjoy travelling by bus.' Tome said, 'I like sitting comfortable so I enjoy travelling by taxi.' Although travelling by taxi was comfortable and fast, it was expensive. They decided to travel by taxi and shared the cost.

At the end, they got to the picnic site quickly. They ate a lot of yummy food such as chicken wings, sausages and sandwiches. They also took a lot of beautiful photos. They were over the moon because the weather was good and they enjoyed the picnic very much. They were

also glad that they met a nice hiker. He was very caring because he guided them to the nearest bus stop.
