Eric's Adventure

They did not know what to do. Then the genie had an idea. 'Let's go to Merlin the Wizard's house and find out the spell!' he suggested. 'However, we need to climb to the top of the mountain,' Genie pointed. 'It's not hard for me!' Eric shouted confidently.

They walked across the river while Eric dropped his magic orbs in the river. 'Oh! My magic orbs! They are my favourite birthday present. My grandma gave them to me!' cried Eric. 'Poor boy, don't worry. Merlin has lots of these magic orbs. You can have one!'

After crossing the river, they climbed the mountain and saw Merlin's house. Eric knocked the door. The door opened but there was nobody in the house... 'Excuse me, anyone home?' Eric asked politely. 'I am sorry, I'm Merlin the Wizard but you can't see me... What can I do for you?' said Merlin. 'I wish that I can have my normal height now.' Eric said quickly. 'Bala Bala la!' spelled by Merlin. 'Wow! It was amazing! Thank you!' Eric said excitedly. 'I'm still worried about you Merlin the Wizard. Can I help you appear?' asked Eric. 'What a kind person. However you can't help me. I need some magic orbs to make me appear.' Merlin smiled. 'I see... Then see you next time!'

Eric went back to Grandma's house. 'Grandma! Do you know who I met today?' Eric asked happily. 'Oh... Let me think... your friend Kaity Rose?' asked Grandma. 'No, no, no! Is Merlin the Wizard who lives on the top of the mountain!' Eric said. 'So?' Grandma asked. Eric thought a sec. There was only silence and Eric was very embarrassed. Eric sat next to his grandma and said, 'I dropped the magic orbs which you gave me.' 'I knew it, see what I get!' Grandma seemed to have found something. Grandma got the magic orbs which Eric dropped! Eric saw them and looked at Grandma. Grandma gave the orbs to Eric and said,

‘I also have some new magic orbs. I stole them from Merlin the Wizard!’ Eric was shocked by this scene... ‘It was very unforgivable, Evil King!’ Eric noticed that his Grandma was the Evil King.

In the end, Eric took all the magic orbs to Merlin the Wizard. ‘Oh Eric! You brought them back! Then I can appear and defeat the Evil King...’ Eric opened his mouth because Merlin ran fast like a rocket. After that, Merlin used spell on Grandma to kill Evil. Unfortunately, Merlin killed Eric’s Grandma too. ‘Merlin, I appreciate what you have done. However, I don’t appreciate that you killed my grandma, my only family members!’

A soft sound waked Eric up. ‘Grandma!’ Eric gave his grandma a big hug and said, ‘I miss you very much, Grandma!’ Eric thought ‘I’m glad that was only a dream!’
