A Day in Funny Zoo

Today is my family day. It is sunny. I go to Funny Zoo with my cousin.

I can see many animals. There is one red panda. It is in the tree top. It is brown and white. There is a Tropical Banded Tree Snake. It is black and red. It is in the tree. There is a parrot. It is red, blue and green.

I like the zoo because it is fun. I can also take a lot of photos..
