A Day in Bo Bo Zoo

Today is Sunday. I visit Bo Bo Zoo with my dad.

I can see many animals. There are eleven rhinos. They are grey.

They are big and have horns. They are on the sand. There are fourteen cheetahs. They are black and dark yellow. They have sharp teeth.

They are on the rock. There is one lion. It is dark yellow. It is eating meat on the grass. It is fierce.

I like the zoo because I love watching cheetahs. I feel as happy as a king.
