A Day in Sun Sun Zoo

Today I go to Sun Sun Zoo with my mother and father. I go there because I love animals.

I can see many animals. There are nineteen pandas. They are white and black. They are on the grass. There are eleven lions. They are orange. They are in the cage. There are twelve zebras. They are as black as ink. They are on the grass.

I like Sun Sun Zoo because it is very big. I feel happy!
